Nazwa Wydziału **Name of Faculty**		**Faculty of Biological Sciences** **Faculty of Biotechnology**
Nazwa Kolegium Doktorskiego **Name of Collegae of Doctoral School**		**College of Biological Sciences of Doctoral School**
Dyscyplina/dyscypliny naukowe **Scientific discipline**		**Biological Sciences**
ZASADY REKRUTACJI		
1.	**Forma postępowania rekrutacyjnego/** **Form of recruitment procedure**	
	egzamin kwalifikacyjny (ustny lub pisemny); rozmowa kwalifikacyjna */ qualifying exam (oral or written); interview *	Interview
2.	**Zakres tematyczny egzaminu kwalifikacyjnego/ rozmowy kwalifikacyjnej (w tym ewentualna lista zagadnień egzaminacyjnych)/** **Thematic scope of qualifying exam / interview**	Presentation of the draft outline of the doctoral thesis
3.	**Zalecana literatura (dodatkowo adres strony internetowej, zawierającej wykaz literatury)/** **Recommended literature**	n/a (not applicable)
4.	**Kryteria oceny/** **Criteria for the evaluation**	The following items are scored: general knowledge of the candidate in the given research discipline (appendix - interview evaluation form), the average grade from studies equal 3,7 and higher, confirmed knowledge of English at a level C1 and higher, research achievements to date and other scientific activities.
	Szczegółowe kryteria oceny **Detailed criteria for the evaluation**	1) The average grade from the first and second degree studies or uniform Master's studies calculated as an arithmetic average of grades of all courses except the grades of diploma exams: **0 - 15 points**. The candidate gets 1 point per average grade 3,7-3,8 3 points per average grade 3,81-3,9 5 points per average grade 3,91-4,0 and extra points for each 0.1 above 4.0. 2) Interview: **0 - 30 points** The interview focuses on the research project of the doctoral thesis. Knowledge of the topic of the research project, methods, and argumentation and justification skills are evaluated. The minimum interview score required to be admitted to the College of Biological Sciences is

		10 points; 3) Confirmed knowledge of English at a level B2 or higher: **0 - 2 points** (B2 = 0 point, C1 = 1 point., C2 = 2 points); 4) Scientific activities (**maximum 20 points**): a) Authorship or co-authorship of the articles published in journals from the current list of the Ministry of Science and Higher Education (MNiSW): **0-10 points**; b) Authorship or co-authorship of a book or a monograph in English: **0- 7 points**; c) Authorship or co-authorship of a book or a monograph in languages other than English: **0-4 points**; d) Authorship or co-authorship of a chapter in a book or monograph in English (except conference papers): **2 points**; e) Authorship or co-authorship of a chapter in a book or a monograph in languages other than English (except conference papers): **1 point**; f) Authorship or co-authorship of papers published in other peer-reviewed journals: **0.5 points**; g) Authorship or co-authorship of popular science publications in languages other than English: **0.5 points** (**maximum 1 point**); h) Active participation in a scientific conference (including a presentation, poster etc.): **0.5 points** and **1 point** per national and international conference, respectively (**maximum 1.5 points**). Conference program and certificate/statement from the organizers should be attached; i) Research scholarships, participation in student exchange programs (Erasmus+, Most, other) (at least 3-month): **2 points** (**maximum 2 points**); A certificate/statement should be attached. j) Membership/participation in Students' Scientific Club **0.5 points** (**maximum 1 point**); A certificate/statement should be attached. k) Participation in popular science events **0.5 points** (**maximum 1.5 points**); A certificate/statement from the organizers should be attached. l) Role of a leader in research projects: **2 points** (**maximum 2 points**). A certificate/statement from the organizers should be attached.
	Minimalna liczba punktów niezbędna do uzyskania pozytywnego wyniku postępowania rekrutacyjnego/ The minimum score required to get positive results from the recruitment procedure	10 points from the interview
	Maksymalna liczba punktów możliwa do uzyskania w czasie postępowania rekrutacyjnego/ The maximum score from the recruitment procedure	67 points
5.	**Język postępowania rekrutacyjnego**	Polish or English

	Language of recruitment procedure	
6.	**Wymagane dokumenty/ List of required documents**	1. A personal questionnaire completed in applicable online candidate recruitment system (IRC); 2. A photo (35*45 mm); 3. A copy of diploma of graduating from 2nddegree studies or uniform Master's studies or other document entitling to apply for admission to a doctoral school (the original will be available for inspection to verify its conformity with the original); in the case of diploma acquired abroad (outside Poland) an apostille or certification by the Polish consulate is required and a sworn translation of the document into the Polish language; 4. A written opinion of the research supervisor and the head of department or institute in which the research project will be conducted including declaration of providing research guidance and worksite for the candidate during realization of PhD thesis; 5. A written opinion of the research supervisor on the suitability of the candidate for scientific work; 6. Average grade from the first and second degree studies or uniform Master's studies. The grades obtained by students in other scales shall be linearly transformed into grades used at the University of Wrocław: bardzo dobry (bdb) [excellent/A]- 5,0; dobry plus (+db) [good plus/B+] - 4,5; dobry (db) [good/B]- 4,0; dostateczny plus (+dst) [satisfactory plus/C+]- 3,5; dostateczny (dst) [satisfactory/C] - 3,0; niedostateczny (ndst) [unsatisfactory/fail]- 2,0. 7. An initial outline of doctoral thesis; 8. A certificate or a statement confirming the knowledge of English language at B2 or equivalent level (+TOEFL IBT, IELTS, FCE, TELC B2 and other equivalent international certificates); the candidates for whom English was a lecturing language during a previous stage of education or for whom it is a native language, are released from the obligation of presenting the certificate; 9.to study in Polish a statement confirming the knowledge of Polish language confirmed by the State Commission for the Certification of Proficiency in Polish as a Foreign Language is required; in the case of lack of the required certificate the knowledge of Polish should be confirmed by the Selection Committee based on the interview; 10.to study in English a certificate or a statement confirming knowledge of the English language at the level C1 (CAE, TOEFL- 95, IELTS 7,0, BEC Higher and other equivalent international certificates) or higher is required; the candidates who are the native English speakers or for whom English was a lecturing

		language during a previous stage of education are released from the obligation of presenting the certificate; 11.The copy of a document confirming the legalization of stay in Poland along with the original for inspection; 12.The confirmation of the recruitment fee payment; 13.The recruitment documents except those mentioned in point 3. should be submitted in Polish or English languages; 14. A statement that the candidate is not a researcher / academic teacher.
	Limit przyjęć (dodatkowo ewentualny limit przyjęć w ramach projektów badawczych)/ Available limit of places	35
8.	**Informacje dodatkowe Additional information**	1. List of the research topic proposals including the names of supervisors will be available on a web site of the Faculty of Biological Sciences from the 1st July until 30th July 2020. 2. The candidates will be admitted to the College of Biological Sciences of Doctoral School of the University of Wrocław based on a competition within the scope of the available limit of places. 3. The result of the competition expressed in points will be determining the admission to the Biological Sciences of the Doctoral School of the University of Wroclaw. 4. Foreign candidates will be admitted to the College of Biological Sciences of Doctoral School of the University of Wrocław to study in Polish provided that they have an official certificate confirming knowledge of the Polish language by the State Commission for the Certification of Proficiency in Polish as a Foreign Language; or; will get a confirmation from the Selection Committee (on the basis of an interview) that their knowledge of Polish is satisfactory. 5. Foreign candidates will be admitted to the College of Biological Sciences of Doctoral School of the University of Wrocław to study in English provided that have an official certificate confirming knowledge of the English language at the level C1 (CAE, TOEFL-95, IELTS 7,0, BEC Higher and other equivalent international certificates) or higher; the candidates who are the native English speakers or for whom English was a lecturing language during a previous stage of education are released from the obligation of presenting the certificate.
